THE LATEST ANDROID 10

As the latest Android operating system, Android 10 is simpler, smarter, and more helpful than previous version, well protect your privacy and security, find the right balance with technology for you and your family, Making Your Everyday Life Easier.

CUSTOMIZABLE SHORTCUT KEY

The recording, flashlight, screen shot, underwater camera and many other apps can be run with a single press. The custom key is default set as a PTT. (Push-to-talk) button, enables you to enjoy effective and economical communications without a hitch, turning your Armor X7 into an practical helper for outdoor activities.

GLOVES MODE OPERATION

Armor X7 comes with unique gloves mode which allows you to work with the touch screen of the phone when you are working or in cold winter and wearing the gloves. All the touch-screen gloves in the market, some normal cotton gloves within 1.5mm thickness and some leather gloves" are all supported.

FINGERPRINT AND FACIAL RECOGNITION

Armor X7's brand new Face Access scans 1,024 facial feature dimensions, and unlocks instantly after identifying the biological facial features. And with ergonomically designed back-set fingerprint sensor, you can unlock your Armor X7 in 0.1s.

IP68 WATERPROOF AND DROP PROOF

Armor X7 adopts professional and solid structure with the least junctions possible, which, moreover, are filled with waterproof adhesive tape and backed up with sealing rings. As for inevitable gaps around the physical keys, we use waterproof film to fully fill them; components which are exposed to the outside also have a high-density macro-molecule coating for waterproofness.

GPS+GLONASS+GALILEO

Enhanced global positioning system with rapid, accurate positioning and navigation can always guide you the right way. You can even direct your own way to the destination in a totally strange place. Worry less, enjoy more.

YOUR OUTDOOR ASSISTANT--PRACTICAL TOOLKIT

Except for the tough body, Armor X7 also packs sufficient tools and sensors to make it be a perfect assistant for outdoor and adventure. With acceleration sensor and compass sensor supported, you will never get lost in the field. (Compass, Flashlight, Bubble Level, Pic Hanging, Height Meter, Magnifier, Alarm, Plumb bob).

LIFE CAN BE EASIER WITH WIRELESS NFC

Armor X7's NFC function supports Google Pay. You can make the payment via wireless NFC function. No more bank cards needed. Enjoy the new, intelligent life!
